STORAGE CONDITIONS

Shelf life: At least 18 months after production.
Store in tightly closed container in a dry, cool and frost-free place.
Limited shelf life after opening.

PRODUCT DESCRIPTION

Professional hand cleaning cream with scrub cleans heavily soiled hands fast.

FIELD OF APPLICATION

Suitable for removing adhesive, dirt, grease, oil, tar, soot, paint, ink, highlighter and others.

PROPERTIES

· Professional quality
· Cleans fast, powerfully and simply
· With scrub
· Applicable without water
· Skin-friendly, contains Shea Butter

PREPARATION

Tools: Can be used in combination with a hand cleaner dispenser.

APPLICATION

Directions for use:
Apply Hand Scrub Cleaner on dry hands and rub until the dirt has completely dissolved. Rinse hands with water or wipe with a cloth.
Points of attention: When applying and rubbing the skin, never use water. Residues can be washed away with water. If no water is available, the remains can be rubbed off with a dry cloth.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product. Nevertheless, our Service Department is always at your disposal for any advice needed.
